*our mission*

## **We celebrate love of food and passion for community**

*Edible Bozeman* is part of Edible Communities, a network of more than 80 individually owned publications across the US and Canada united by a single mission: to connect food lovers to the best resources they can find in their own neighborhoods. We tell vibrant stories about where their local food comes from, how it's produced, and who makes it. Edible Communities believes that locally sourced, sustainably produced food matters to our health, to our lives, to our communities, and to the future of the world around us.

our value

## What makes Edible unique

Like each of the 80+ publications in Edible Communities, *Edible Bozeman* is dedicated to supporting the local farmers, ranchers, fishers, foragers, chefs, food artisans, distillers, brewers, home cooks, and small businesses that feed, and connect with, our local community. For each of *Edible Bozeman's* writers, photographers, and columnists, the connection to community is passionate because it's personal: we live and work among the people we write about and the people who read their stories. Collectively, we comprise a powerful, hyperlocal network with a deep level of engagement and loyalty you won't find anywhere else.

## Reach locals and tourists

The greater Bozeman region enjoys ongoing tourism. In 2017, Montana welcomed over 12 million nonresident visitors who spent over \$3 billion; about \$700 million of that was spent in Gallatin County—on groceries, hotels, restaurants, bars, and recreation.

- 97% of readers want to know where to find local food when traveling
- 64% rely on Edible to find local food in the places they visit
- 76% make a restaurant reservation before they make a hotel reservation

Edible readers are intelligent, informed and passionate consumers who place a premium on quality products and experiences. They look for value but don't mind paying more for exceptional quality. **They will discover your business in our pages.**
